In the magical world of Circle of Magic, young Sandry is a prodigious wizard with a rare gift for controlling life energy. When she is brought to the Conclave of Shadows, a school for young wizards, she meets two other talented students, Tris and Daja. Together, they form a powerful bond and become known as the Circle of Magic.

The Conclave of Shadows

The Conclave of Shadows is a renowned academy for wizards, where students from all over the world come to hone their skills and learn the secrets of magic. The school is divided into four levels, based on the student's level of magical power. Sandry is placed in the highest level, and quickly rises to the top of her class.

Tris is a gifted illusionist with a sharp mind and a sarcastic wit. Daja is a master of fire magic, with a fiery temper and a determination that rivals Sandry's own. Together, they form a formidable trio, and quickly become the best of friends.

The Rise of the Circle

The Conclave of Shadows is threatened by an evil force that seeks to destroy the school and all of its students. Sandry, Tris, and Daja must work together to defeat this dark force and protect their school and their friends. They face many challenges along the way, but their bond is unbreakable.

The Circle of Magic is a thrilling tale of adventure and friendship. It is a story about the power of love, the importance of unity, and the courage it takes to stand up for what is right.
