## Genesis and Founding

Drop In The Ocean was founded in 2007 by a group of passionate individuals driven by the belief that every person deserves access to basic necessities and opportunities for a better future. The organization's humble beginnings can be traced back to a small village in Nicaragua, where a group of volunteers witnessed firsthand the desperate need for clean water.

This initial experience ignited a fire within them, setting them on a mission to address the systemic issues that perpetuate poverty and inequality.

## **Core Values and Mission**

Guided by the core values of compassion, integrity, and collaboration, Drop In The Ocean's mission is to provide sustainable solutions to the most pressing challenges facing underserved communities. Their approach centers on empowering local partners and creating lasting change through a holistic range of programs. These programs encompass clean water, education, healthcare, child sponsorship, and disaster relief.

## **Empowering Local Partnerships**

Recognizing the importance of local knowledge and expertise, Drop In The Ocean partners with grassroots organizations in the communities they serve. These partnerships ensure that programs are tailored to the specific needs of the community, ensuring that resources are allocated effectively and impact is maximized. Local partners play a vital role in project implementation, monitoring, and evaluation, fostering a sense of ownership and sustainability.

## **Clean Water Initiatives**

Access to clean water is a fundamental human right and a cornerstone of healthy communities. Drop In The Ocean's clean water initiatives focus on providing safe and sustainable sources of drinking water for those living in water-scarce regions. The organization partners with local communities to implement innovative water filtration systems, construct wells, and implement rainwater harvesting techniques. These initiatives not only improve health outcomes but also empower communities by reducing the

burden of water collection and freeing up time for education and economic activities.

### **Education: Unlocking Potential**

Education is the key to unlocking individual and community potential. Drop In The Ocean recognizes this and invests heavily in education programs that provide access to quality education for children and adults. The organization partners with local schools to improve infrastructure, provide scholarships, and train teachers. Additionally, Drop In The Ocean supports adult literacy programs and vocational training to empower individuals with the skills they need to improve their livelihoods and contribute to their communities' development.

### **Healthcare: Nurturing Well-Being**

Access to affordable healthcare is crucial for the well-being of individuals and communities. Drop In The Ocean partners with local clinics and hospitals to provide essential healthcare services, including preventive care, vaccinations, and treatment for common diseases. The organization also supports the training of healthcare workers to ensure the sustainability of health systems in the communities they serve. By addressing health disparities, Drop In The Ocean helps create healthier and more resilient communities.

### **Child Sponsorship: Investing in Futures**

Child sponsorship is a powerful way to make a direct impact on the life of a child living in poverty. Through Drop In The Ocean's child sponsorship program, individuals can provide financial support, educational resources, healthcare, and emotional encouragement to a child in need. This support

can help break the cycle of poverty and create opportunities for a brighter future.

## **Disaster Relief: Responding to Crises**

When natural disasters strike, Drop In The Ocean is there to provide emergency aid and support to affected communities. The organization works closely with local partners to assess needs and provide essential items, such as food, water, shelter, and medical supplies. Drop In The Ocean's disaster relief efforts focus on providing immediate assistance as well as long-term support for recovery and rebuilding.

## **Impact and Accomplishments**

Over the years, Drop In The Ocean has made a tangible impact on the lives of countless individuals and communities around the world. The organization's programs have:

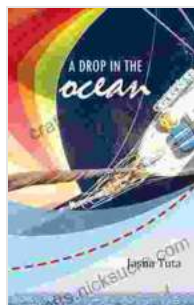

\* Provided clean water to over 2 million people \* Built or renovated over 1,000 schools, benefiting over 100,000 students \* Trained over 5,000 healthcare workers \* Sponsored over 10,000 children \* Responded to countless natural disasters, providing emergency aid and support

## **Recognition and Partnerships**

Drop In The Ocean's dedication and impact have been recognized by governments, international organizations, and the public alike. The organization has received numerous awards and accolades, including the prestigious Conrad N. Hilton Humanitarian Prize. Drop In The Ocean also collaborates with a global network of partners, including Rotary International, the United Nations, and various foundations. These

partnerships strengthen the organization's reach and enable it to leverage resources to maximize impact.

Drop In The Ocean is a beacon of hope and a force for positive change in communities around the world. Through a holistic range of programs, the organization empowers local partners, addresses systemic issues, and creates sustainable solutions to improve lives. Whether it's providing clean water, access to education, essential healthcare, or disaster relief, Drop In The Ocean's impact is undeniable. By supporting this organization, individuals can become part of a global movement dedicated to creating a more just and equitable world for all.
