Rejected Mate Shifter Romance is a popular romance subgenre that features stories about shifters who are rejected by their mates. These stories often explore themes of love, loss, and second chances. The Moon Alpha Series is a popular example of this subgenre, and it has been praised for its strong characters, emotional storylines, and steamy romance.

## The Moon Alpha Series

The Moon Alpha Series is a series of rejected mate shifter romance novels by author Vivian Arend. The series follows the lives of a group of rejected mates as they find love and acceptance in unexpected places. The series

has been praised for its strong characters, emotional storylines, and steamy romance.

**The first book in the series, *Rejected Mate*, introduces us to Luna, a young wolf shifter who is rejected by her alpha mate. Luna is devastated by the rejection, but she eventually finds love and acceptance with another wolf shifter named Ethan.**

**The second book in the series, *Second Chance Mate*, follows the story of Anya, a bear shifter who is rejected by her alpha mate. Anya is heartbroken by the rejection, but she eventually finds love and acceptance with another bear shifter named Dimitri.**

**The third book in the series, *Forbidden Mate*, follows the story of Zara, a fox shifter who is rejected by her alpha mate. Zara is furious at the rejection, but she eventually finds love and acceptance with another fox shifter named Aiden.**

### **Why Rejected Mate Shifter Romance Is So Popular**

There are many reasons why rejected mate shifter romance is so popular. First, these stories offer a unique perspective on the shifter genre. Instead of focusing on the traditional alpha/omega dynamic, rejected mate shifter romances explore the lives of shifters who have been rejected by their mates. This can be a refreshing change of pace for readers who are looking for something different.

Second, rejected mate shifter romances often feature strong and relatable characters. These characters are often complex and flawed, but they are also sympathetic and easy to root for. Readers can easily relate to the characters' struggles and triumphs, which makes the stories even more engaging.

Finally, rejected mate shifter romances often feature steamy romance. These stories are not for the faint of heart, but they are sure to please readers who are looking for a passionate and sensual read. The romance in these stories is often intense and emotional, and it is sure to leave readers wanting more.

Rejected Mate Shifter Romance: The Moon Alpha Series is a popular romance series that follows the lives of rejected mates who find love and acceptance in unexpected places. The series has been praised for its strong characters, emotional storylines, and steamy romance. If you are looking for a unique and engaging romance series to read, then I highly recommend checking out The Moon Alpha Series.
