

The Ultimate Flyfisher's Guide to Yellowstone National Park

Yellowstone National Park is a fly-fishing paradise, with over 1,000 miles of rivers and streams teeming with trout. The park is home to three species of trout: rainbow trout, brown trout, and cutthroat trout. The cutthroat trout is the only trout native to Yellowstone, and it is one of the most beautiful fish in the world.

The best time to fly fish in Yellowstone is from June to October, when the weather is mild and the fish are active. The most popular rivers to fly fish in Yellowstone are the Madison River, the Firehole River, and the Yellowstone River.

What to Bring

If you're planning a fly-fishing trip to Yellowstone, here are a few things you'll need to bring:

- A fly rod and reel
- A selection of flies
- Waders
- A fishing license
- A map of the park

Where to Stay

There are a number of campgrounds and lodges located within Yellowstone National Park. You can also find lodging in the towns of Gardiner, Montana, and West Yellowstone, Montana.

Guided Trips

If you're new to fly fishing, or if you just want to improve your skills, you can book a guided trip with one of the many outfitters in the area. Guided trips can be a great way to learn about the best fishing spots and techniques.

Tips for Fly Fishing in Yellowstone

Here are a few tips to help you make the most of your fly-fishing trip to Yellowstone:

- Be prepared for cold weather, even in the summer.
- Wear comfortable shoes and clothing that you can move around in.
- Bring plenty of water and snacks.
- Be respectful of other anglers and the environment.
- Have fun!

Yellowstone National Park is a truly special place, and it's a great place to go fly fishing. If you're planning a trip to the park, be sure to bring your fly rod and reel.
