The revised edition of the Orvis Fly Fishing Guide includes over 400 new color photos, as well as updated information on gear, techniques, and destinations. Here are some of the new features:

- **New gear reviews:** The guide has been updated to include reviews of the latest fly fishing gear, including rods, reels, lines, and flies.
- **New casting techniques:** The guide includes new sections on casting techniques, such as the roll cast and the double haul.
- **New fishing destinations:** The guide includes new information on fishing destinations around the world, including both freshwater and saltwater locations.
- **New fly patterns:** The guide includes new fly patterns for a variety of fish species, including trout, bass, and salmon.

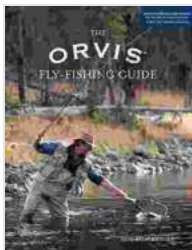

The Orvis Fly Fishing Guide is divided into eight chapters, each of which covers a different aspect of fly fishing. The chapters are:

- **Getting Started:** This chapter covers the basics of fly fishing, including choosing the right gear and learning how to cast.
- **Tackle and Techniques:** This chapter covers the different types of fly fishing gear and how to use them effectively.
- **Fly Tying:** This chapter teaches you how to tie your own flies, which can save you money and give you a better chance of catching fish.

- **Fishing Strategies:** This chapter covers different fishing strategies for different types of fish, such as trout, bass, and salmon.
- **Destinations:** This chapter includes information on fishing destinations around the world, both freshwater and saltwater.
- **Conservation:** This chapter discusses the importance of conservation and how to protect our fisheries for future generations.

The Orvis Fly Fishing Guide is the ultimate resource for fly fishermen of all levels. Whether you're just starting out or you're a seasoned angler, this guide has something for you. With over 400 new color photos and updated information on gear, techniques, and destinations, the revised edition is the best version yet.

So if you're looking to improve your fly fishing skills and catch more fish, pick up a copy of the Orvis Fly Fishing Guide today. You won't be disappointed.
